### RETC 2023 Attendance

Dr. Angus Maxwell, Founder & CEO of Maxwell GeoSystems will be at the RETC 2023 (Rapid Excavation and Tunnelling Conference) in Boston, MA, USA, taking place this week, from 11th - 14th of June 2023.

Held every 2 years, this conference attracts industry leaders and practitioners from around the world to learn about the most recent advances and breakthroughs in this unique field. It also provides a chance to view trending industry issues, listening to A-list speakers share experiences and insights, as well as educational opportunities.

For those attending, do reach out to him at any time, to learn more about the MissionOS software and how it has been at the forefront of the ConTech (Construction Technology) industry, helping tunnelling projects maximise efficiency and reducing risk through the use of the software.
